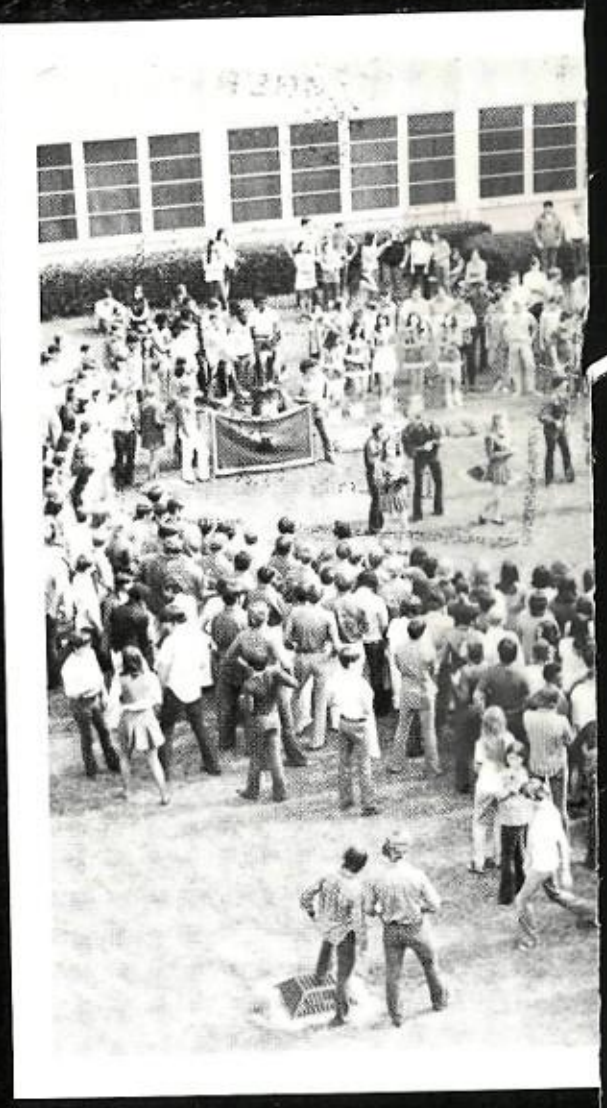
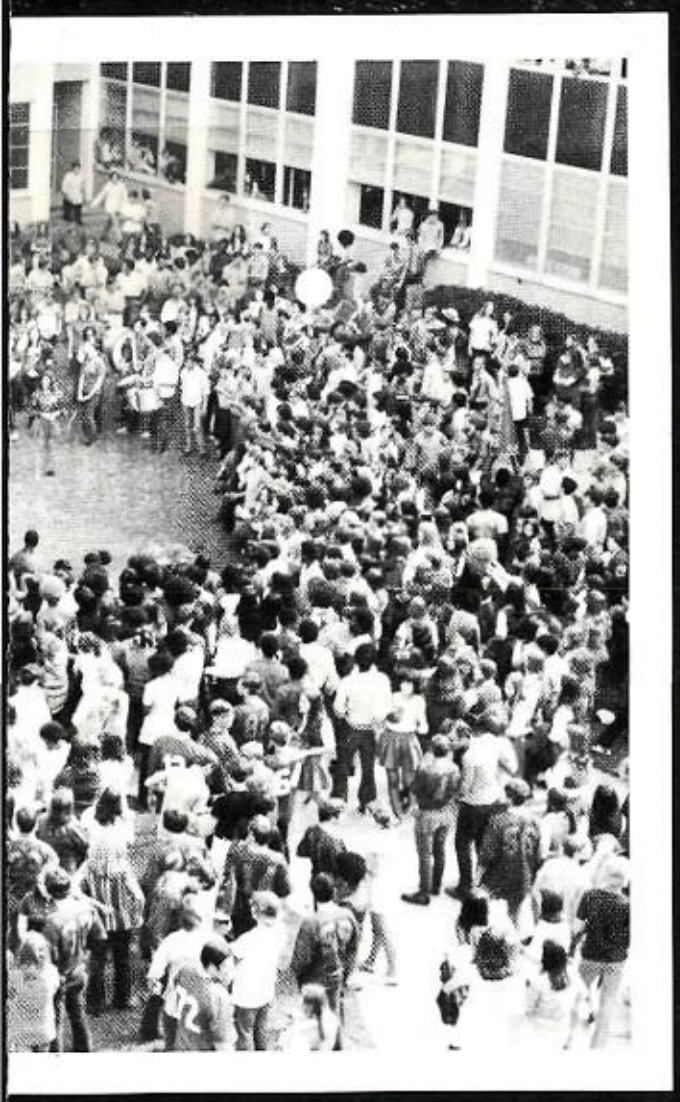
August 24, 1971, the first day of the 1971-72 school year was delayed until September 7. This first change signaled the beginning of a whole school year filled with changes, some of which will affect H. Grady Spruce for many years to come. The 1971-72 Tipi has tried to capture this year so that it might be relived again and again by those who made it The Year of Change. We have supplied pages with pictures and words, and now to make them complete, you must add your own memories.





Come gather round people
wherever you roam
And admit that the waters
around you have grown
Accept it that soon you'll be
drenched to the bone

DEDICATION

This school year has been one of many trials and changes. Because of this, the principal has had many more responsibilities. Many hours were spent working out the details which came with the changes in enrollment and scheduling. He talked with parents and students trying to help them get along with others. He was faced with tremendous decisions; the answers were not always agreeable to the students, but we realize that he always did what he felt best for the school and the community. The job of the principal has been a thankless one this year because no decision could please everyone. The Tipi Staff would like to take this time to say we appreciate his work and realize he always did what he felt best. For his diligent efforts this year, we dedicate the 1972 Tipi to our principal,

To H. Grady Spruce,

This year has marked the beginning of a new era for H. Grady Spruce. An era which was brought on by many changes. The ideas of many newcomers and the actions of the Administration have introduced various changes. Many minds have been drawn away from the philosophies on which Spruce was founded, and the results became change. With these changes a spirit of challenge has been introduced.

A challenge to the Freshmen; To take these changes of your 1972 school year and use them to build your future high school years.

A challenge to the Sophomores; To strive to improve the things you do not approve, yet do it with an open mind.

A challenge to the Juniors; To take your position as Seniors with a new determination to leave Spruce a better school because of your presence.

A challenge to the Seniors; To use the influence of your years at Spruce as a means of making this world a better place.

Yes, Spruce has stepped into a new dimension: that of change. The responsibility of this change belongs to the future student body and faculty of Spruce. I hope that this responsibility will be taken on by all to make Spruce the kind of school it has been from its beginning.

The Red Cross Club, affiliated with the American Red Cross, is comprised of one representative from each homeroom at Spruce. At the beginning of the year, the Club collected one dollar from each homeroom for Red Cross Youth Projects. At Christmas the Red Cross members made nut cups for favors to take to children's hospitals in Dallas. At Easter the Club had an Easter basket contest, the winning homeroom to receive a large Easter basket which was to be donated to a children's hospital. In addition to this type of activity during the school year, the Junior Red Cross offers many opportunities for youth to serve the community, such as volunteer work at hospitals, convalescence centers, day care centers, parks and public libraries.

Compliments of Delta Airline

The VALEDICTORIAN at H.G.S. for 1971-72 is CARA LEE GILBERT. Cara plans to attend Abilene Christian College and major in Sociology with plans of being a social worker. This year here at SPRUCE she has been President of National Honor Society, Captain in the Apache Band, President of the Spanish Club, and Business Manager of the TIPI staff. Cara has made straight A's for twelve consecutive years. She received a scholarship from the Texas Council of Church Related Colleges.

SHARRON LORRAINE HIGGINS (SOLBERG) was named SALUTATORIAN at H.G.S. for the year 1971-72. Sharron plans to attend Trinity University and major in Speech and Drama. She plans to work in the theater as an actress or costume designer. Vice-President of the International Thespian Society and Feature Writer for the Apache Drumbeat are the offices she has held this year at SPRUCE. Sharron also received a scholarship from the Texas Council of Church Related Colleges.

MISS CLAXTON

The TMR class spends its day in many activities. The academic subjects include basic number concepts, reading readiness, and basic reading skills, science, and health. We also do art projects and have music twice a week. We attend regular PE classes on MWF at second period, and we enjoy attending assemblies also.
